FREE FALL

a film by Stephan Lacant
Germany 2013 · 100 min

A promising career with the police, a baby on the way – Marc's life seems to be right on track. Then he meets fellow policeman Kay and during their regular jogs Marc experiences a never-before-felt sense of ease and effortlessness – and what it means to fall in love with another man.

Torn between his family and his new feelings for Kay, Marc sees his world careening more and more out of control. Suddenly, his life is in free fall and Marc realizes that try as he may, he can't make everyone happy. Least of all, himself.

FREE FALL is fresh, powerful cinema from Germany. The masterful performance of actors Hanno Koffler (*Summer Storm*), Max Riemelt (*Napola – Before The Fall*) and Katharina Schüttler (*The Promise*) is an emotional tour de force, poignantly showing what ensues when lives are shattered and it seems impossible to please the people you love.
